Les Petits Papillons provides lively and fun French sessions for Primary aged children in school settings.

Each session lasts between 25 -30 minutes in length and is tailored to the group of children I am working with, whether it is children in EYFS, KS1 or KS2. The sessions are linked to the Early Years Foundation Stage document, or provide an introduction to languages which are taught as part of the KS2 Curriculum. Sessions include crafts, songs, games and books.

Each session costs £3.50 per week. Can be paid on a termly or weekly basis.
