

STATEMENT OF COMMITMENT TO RACIAL EQUALITY

At Tockwith C E Primary School the Governing Body and school management will be proactive in promoting racial equality and good relations and tackling unlawful racial discrimination.

The Governing Body will maintain an overview of implementation of the race equality policy and racial equality will be a regular agenda item at governor meetings.

The school management will work in partnership with others to tackle racial discrimination and establish, promote and disseminate racial equality good practice.

The Governing Body and school managers will encourage, support and enable all pupils and staff to reach their full potential.
