## **COVID-19 Risk Assessment Summary**

The following areas of the school have been risk assessed prior to opening and will be continually assessed by both staff in school and the Ebor Academy Trust Central Services Team.

The risk ratings shown below are calculated taking into account the severity of the risk, the likelihood of the risk and how easy the risk would be to detect. These areas are given a score and from this the Risk Priority Number is calculated:

<b>KEY:</b>	RPN between 0 – 25 indicates low risk	RPN between 26 – 75 indicates a medium risk	RPN between 76 – 125 indicates a high risk
-------------	--	--	---

Any changes to the risk assessment ratings will be reflected in this document. If you have any queries or would like more detailed information regarding the risk assessment, please contact the school office.
