

## **Tockwith CE Primary Academy Remote learning offer.**

'Remote Learning' refers to the provision of work, teacher support, assessment and feedback from teachers to pupils in the event that normal lessons are unable to be delivered 'face-to-face' as normal.

Situations where this policy may apply include:

Pupils unable to attend school due to a period of advised self-isolation but who otherwise remain well (**Individual remote learning**)

An extended period of school closure (**A Period of School Closure**)

### **Individual Remote Learning**

This section of this policy applies in situations where school remains open and working as normal, but an individual student is unable to attend lessons as normal, but is otherwise well and able to work, e.g. a period of advised self-isolation or an absence that has been authorised by the school in advance.

Across the whole school class teachers will coordinate the relevant material during PPA. These tasks will be shared with parents in two forms:

Paper packs, provided on a weekly basis until the student is able to return to school. The paper packs will mirror (where possible) the teaching and learning activities happening in the team that week.

Google Classroom - Children to access their learning through the Google classroom and seesaw, allowing them to mirror the learning in class.

This will look different in different Year groups:

## **Reception**

Phonics lesson recorded - links of Jolly phonics .

Weekly overview - structured.

Website - links - resources - guides

How to make play at home more meaningful

NCETM - suggested activities - seesaw

Paper packs - pre- prepared items to be picked up. Dropped off if necessary.

## **Year 1**

Phonics lesson recorded- Links to jolly phonics sounds and activities.  
Video of pronunciation of sounds- Link provided.

Maths input recorded - Complementary sheets to be attached to this relating to the maths lesson.

Links to the NCETM spines and white rose for parents for guidance.

Home reading links - Reading with a TA once a week during self isolation.

Links to the homework grid with numerous activities to be completed.

Weekly Overview.

## **Year 2**

Weekly overview - more detail on this if isolated

Pack of worksheets to compliment delivery.

Starter activity - seesaw.

Tag in home learning folder.

Read once a week with an adult.

## **Key Stage 2**

Google Classroom linked to sessions.

Recorded input to maths lessons on Seesaw/ White Rose videos

Links to sites/ Symbaloo made available in the Google classroom

Homework grid/Topic research

Pobble daily writing/ grammar activities

Slides, worksheets to edit or questions made available through the classroom.

## **A Period of School Closure**

Tockwith CE Primary Academy is committed to providing continuity of education for its students in the event of an extended school closure. While such situations are inevitably highly varied in their causes and ramifications, we will endeavour to provide continued learning for our students during any period of closure.

### **(a) Short-Term Closure**

For a short-term closure (up to ten working days) class teachers will utilise Seesaw and Google classroom to organise the learning for the children on a daily/weekly basis. This may be supplemented by Paper packs which will be emailed to school where they can be printed off and made available for collection by parents.

### **(b) Longer-Term Closure**

In the event that the school / bubble is closed for longer than 10 working days, it will be the same as a short term closure, however there will be less reliance on paper packs being made available.

The school reserves the right to vary the methods described below in the light of developing situations surrounding the reasons behind any closure.

### **Technical Offer**

All children from Year 1 to Year 6 will be offered the opportunity to loan one of the school chromebooks

### **EYFS**

Teachers will continue the teaching sequence/topic they were covering in school. Advice and tips will be given to parents about how they can support children with their play at home. A book will also be provided for children to keep all their home learning in. Children in Reception will have access to the following on seesaw.

- A short daily phonics session based on Jolly phonics with activities to embed the sound.
- Maths activities.
- Daily story time.
- A home activity grid with multiple choices of activities that support the progression towards ELG (Early Learning Goals).

Parents will be encouraged to engage through Seesaw and add photos/ feedback on their home learning.

## **Key Stage 1**

Teachers will plan remotely using Google drive and Google meet. Daily slides will be posted on a seesaw blog so that all parents and children can access it. These slides will run the children through a range of daily learning activities. These slides will also include video instruction when necessary. Printable documents will be posted on Seesaw alongside screen shots of the work for people who may not have a printer at home. Teachers will continue the teaching sequence/topic they were covering in school. Options for the tasks will be given with advice/tips for parents around ability. A book will also be provided for children to keep all their home learning in.

Y1: Phonics Daily,

Writing - Fine motor skills and pencil control activities

Maths - Links to number blocks (NECTM)

Theme, PE, Art, RE, Science, Computing, Music, Storytime and Family Fun  
Tasks X1 a week

## Year 2

The daily slides will consist of a range of activities.

Daily activities = Smart Start - Phonics / Guided Reading - Maths - English

Timetabled within a week = PE - RE - Topic - Science - Art - French -  
PSHCE - computing.

In Year 2 there will be one face to face live session each week. Some further resources will be posted on Google Classroom for the children to access. This will be communicated through seesaw.

Parents and carers will be asked to post children's work to their child's online portfolio or via direct message which teachers will respond to. If a family is not actively engaging with seesaw the class teacher will contact them, by telephone, to offer advice and details around how to

collect a paper pack - weekly.

## **Key Stage 2**

Chromebooks will be made available to loan to a class or bubble closed down for more than 10 working days.

Teachers will plan remotely using Google classroom and Seesaw.

In the event of a class or bubble closed, each day will begin with a remote check-in on Seesaw or Google Classroom (before 9:30am). A selection from reading, Writing, Maths, RE and foundation subject activities will be posted daily. Tasks will include key skills, with some form of differentiation and web links to support learning. Learning will follow the sequence planned for the half term. Where necessary, teachers may post a video of themselves explaining concepts at a level that is appropriate for their class. Teachers will respond with a personalised comment and may choose to respond with intervention if necessary.

Paper packs of learning will be given to children who need to leave school at short notice.

If a family is not actively engaging with Google Classroom, the class teacher or remote learning champion will contact the family by telephone to offer advice and details to help.

## **SEND**

Teachers will ensure that the provision made available for children with special educational needs will be appropriate to the needs of the children.

## **Pastoral Support**

Our Pastoral Lead will continue to support children and families during any

long term closures. This will come in the form of 1 to 1, pavement visits or phone calls.

## **Expectations of Students**

Assuming they are well enough to work, students are expected to:

- Complete all work set for them and submitting work which is requested for feedback promptly
- Check Seesaw/ Google Classroom regularly and read and respond to communication from the school.
- Ensure that their school Chromebook is at home with them and is fully charged at the start of each day. Where students experience problems with IT systems they should proactively inform the school admin team.

## **Expectations of Staff**

Assuming they are well enough to work, staff are expected to:

- Ensure that work is set and made available on Seesaw or Google Classroom at the start of each week to cover the calendar week ahead, and that sufficient resources are made available to students via electronic means to allow them to carry out this work at home.
- Headteacher and Assistant Heads are responsible for the setting (or delegation) of tasks from Reception to Y6. Additionally, phase leaders are required to maintain oversight of the appropriateness and quality of the work set across their phase.
- To be familiar with the use of Seesaw, Google Classroom and Google Meet, and to be available online through Meet to liaise with other members of their phase / school team.
- To set, assess and return work to students promptly by electronic means.

## **Expectation of Parents**

- To communicate with the school and teacher if they are having problems with connecting with the remote learning
- To communicate with the school if their children are not accessing the remote learning or they need more support to emphasize the

importance of continuing the children's learning.

**Any online contact between students and staff must only take place through official school channels, which are:**

@tockwithprimary.co.uk email address only. No personal email addresses must be used by either staff or pupils.

Seesaw and/or Google Classroom.

Any live contact between students and staff must only take place through official school channels. This includes emails from students to teachers, which should only be sent from students email address xxx@tockwithprimary.co.uk

**Contact between students and staff through personal telephones or personal email accounts, or any other third-party messaging software or video conferencing software (e.g. WhatsApp, Skype etc.), is strictly prohibited.**

### **Staff Illness.**

When staff are unwell during a period of school closure, they should follow the usual absence procedure and contact the school via a telephone call, before 7am. If they are able to set work for any lessons that require it then they should do so, otherwise responsibility for work falls to the phase leader or designated delegated colleague.

Remote learning Champion - Justin Reeve

### **Safeguarding**

During any period of school closure, the "Safeguarding and Child Protection" Policy still applies.
