CHURCH OF ENGLAND PRIMARY ACADEMY

Over the last few months we have been exceptionally lucky to have Kimberley Blakey deliver an excellent Programme in school based on 'My hidden chimp'. Certainly a book I would recommend for you to work with your child. If the model appeals to you the 'Silent Guides' book by Steve Peters is excellent. It helps to understand and develop children's emotions, thinking and behaviours.

In March, we had a dress down day to raise money for Comic Relief. The children had the choice to dress up as superheroes, dress in red or just wear their own clothes. Year 4 held a competition to create a slides presentation explaining why we are fundraising and where our money will be going. The winners' slides were shared around the rest of the school in assembly. In total, we raised an amazing £187, thank you all for your donations

Children throughout school celebrated Easter in different ways. Reception retold the Easter story to understand the meaning behind the palm cross that each child had been given in school, They reflected on the message of kindness. Year 3 and 4 acted out the Easter Story through their play. Even in these socially distanced times, they put on an amazing production and thoroughly enjoyed acting out the different parts.

We held our zoom parents evening in April and it was so lovely to see and speak to so many of our parents.
