

Tockwith

CHURCH OF ENGLAND PRIMARY ACADEMY

Following the Government Announcement that we were again going into lockdown, Tockwith Primary has been open for vulnerable and critical worker children. All other children have been home schooling for the last month. We would like to take this opportunity to say a huge thank you to all the parents and carers out there who are doing a spectacular job of keeping their children at home with them and enabling them to continue their learning. We understand what a difficult job this can be, especially alongside your own home working and do appreciate your efforts.

We've enjoyed a couple of snow days in January which has provided a fantastic alternative PE class for our children! Children at home and school made snowmen, had snowball fights and sledged in their gardens and local fields! At school, Mr Goodacre even made an igloo with fire inside!
