

Tockwith

CHURCH OF ENGLAND PRIMARY ACADEMY

The staff and children at Tockwith Primary Academy would like to wish everyone a Happy New Year! We will be returning to school on Monday 4th January 2021, fully refreshed from the Christmas break.

In December, even in the current coronavirus pandemic, we were able to enjoy a large variety of festive events. These included our Christmas Lunch where we were able to seat each bubble separately so all children were able to eat in the hall, the Reception & KS1 Nativity and KS2 Christmas production which we were able to video record and send out to parents/carers in lieu of them not being able to attend in person. We also held individual class parties where the children enjoyed games, activities and a festive treat.

As the PTFA were not able to hold their Christmas Fair, instead we had the Christmas Elf set a picture competition and also a bingo game was held on the last day of term. The Laps to Lapland fundraiser for Cancer Research was a fantastic success with all of the children participating in the laps around the playground. Thank you to everyone who donated, we appreciate all of your support.
