

Tockwith

CHURCH OF ENGLAND PRIMARY ACADEMY

Children in Years 5 and 6 stepped back in time to walk in the footsteps of the Romans as they learnt about Roman York. They also discovered the significance and the history of York Minster. This was an exciting opportunity for children to have a tour of the Minter, visit the Undercroft Museum, learn about the history and archaeology of York Minster and take a tour of the city walls.

We are delighted with our new classroom – the children in year 4 have settled in really well. We've made good use of the space and are just doing final jobs to make it perfect, such as putting shelves in Miss Stanton's store cupboard!

We have a Harvest Festival in church coming up followed by lunch at Tockwith Primary – we are so excited about welcoming parents, carers and family members back in school – it has been too long! Look out for updates in the next edition.
