

Tockwith

CHURCH OF ENGLAND PRIMARY ACADEMY

This term, we have started off discussing the high expectations we have from the children in their learning and behaviour. We have talked about our reminder system and how the reminders are used. The teachers discussed this with parents in the Meet the Teacher sessions which were held at the start of term. Our strategic priorities for this year are as follows:

Priority One:

For all children to reach their individual potential and to prepare them for the future.

To build on high outcomes for the children across the school enabled by staff

Priority Two:

Ensure that curriculum cohesion is embedded across the school

A knowledge rich curriculum that is rooted in the bible and ensures that the children can live life in all its fullness.

Priority Three:

For all to live life in all it's fullness - John 10:10

Ensure that all children have enrichment opportunities offered to them in light of the past 3 years and the monocultural area they live in.

Priority Four:

High quality professional development translating into improvements in teaching.

High quality Continuous Professional Development impacts on the very secure quality of teaching across the school with a strong Quality Assurance process to support this.

We are delighted to announce that we, Tockwith, have achieved the School Games Gold Mark Award for the 2021/2022 academic year. The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward and recognise school's engagement (Provision and uptake) in the School Games against a national benchmark and to celebrate keeping young people active, and we are delighted to have been recognised for our success.

We were thrilled to be able to invite Reception parents/carers into school for lunch with their child. Mrs Hobson cooked a delicious lunch of Chicken burger or Vegetable Frittata with potato wedges and vegetables with a chocolate cake for pudding. It was so lovely to see parents in school sitting with their children and even nicer that the children ran off to play after they had eaten without any tears – it just shows how the children have settled into Reception.
