## CHURCH OF ENGLAND PRIMARY ACADEMY

We are delighted to be back at school after summer, welcoming new students and those returning to us! We hope you all had an amazing summer holidays and are all ready to enjoy the start of your new year at school. We have many exciting topics and events coming up this term and can't wait to get started.

At the end of last term we had our sports day – it was so amazing to invite parents, carers and families back into school to see their children taking part in sports day. The children had an amazing time in the morning, taking part in group sporting activities. We had activities such as javelin, space hopper races and obstacle courses to name but a few. We then invited parents into school to eat a BBQ lunch with their children. Mrs Hobson and her staff put in such a lot of effort to have a feast available for parents and children. There were so many parents I think we managed to queue all the way around the playground but it was wonderful to see so many parents, carers and other family members onsite supporting us and the children. The afternoon brought with it the running races which since the weather had cooled a bit, we were all able to enjoy participating and watching the races. Well done to Cromwell for winning the day!

As always we are so sad to say goodbye to our year 6 children, but also so proud of the young adults they are becoming. We have had a leaver's party, a church leaver's service and also a

school leavers service so they were all such emotional events! What an amazing group of children they have been. We say farewell to our Year 6's who have lived life in all it's fullness.
