## School Admission Arrangements for the School Year 2025/26

### Report of the Corporate Director – Children and Young People’s Service

#### **1.0 PURPOSE OF REPORT**

- 1.1 To enable Council to consider the appended report ‘School Admission Arrangements for the School Year 2025/26’ as recommended to Council by the Executive at their meeting on 23 January 2024.

#### **2.0 BACKGROUND**

- 2.1 On 23 January 2024, the Executive considered the appended report ‘School Admission Arrangements for the School Year 2025/26’ and recommended it to Council at their meeting on 21 February 2024.
- 2.2 As the Admission Authority for all Community and Voluntary Controlled schools in North Yorkshire, the Council consults annually on admission arrangements. The Council is currently required to determine its admission arrangements, which includes admissions policy and admission numbers, annually by 28 February each year.
- 2.3 The minutes of the meeting of the Executive on 23 January 2024 are available here - [Agenda for Executive on Tuesday, 23rd January, 2024, 11.00 am | North Yorkshire Council](#)

#### **3.0 FINANCIAL IMPLICATIONS**

- 3.1 These are covered in the appended report that went to the Executive on 23 January 2024.

#### **4.0 LEGAL IMPLICATIONS**

- 4.1 These are covered in the appended report that went to the Executive on 23 January 2024.

#### **5.0 CLIMATE CHANGE IMPLICATIONS**

- 5.1 These are covered in the appended report that went to the Executive on 23 January 2024.

#### **6.0 EQUALITIES IMPLICATIONS**

- 6.1 These are covered in the appended report that went to the Executive on 23 January 2024.

#### **7.0 RECOMMENDATIONS**

- 7.1 That Council consider the appended report ‘School Admission Arrangements for the School Year 2025/26’, as recommended to Council by the Executive at their meeting on 23 January 2024.

### School Admission Arrangements for the School Year 2025/26

Report of the Corporate Director – Children and Young People’s Service

#### 1.0 Purpose of Report

- 1.1 To seek views from Members on the response to the proposed admission arrangements for Community and Voluntary Controlled schools for the school year 2025/26, and to seek approval for recommendation to the Council for determination.

#### 2.0 Background

- 2.1 As the Admission Authority for all Community and Voluntary Controlled schools in North Yorkshire, the Council consults annually on admission arrangements. The Council is currently required to determine its admission arrangements, which includes admissions policy and admission numbers, annually by 28 February each year. When changes are proposed to admission arrangements, all admission authorities must complete a consultation by 31 January. Where the admission arrangements have not changed from the previous year there is no requirement to consult, subject to the requirement that admission authorities must consult on their admission arrangements at least once every seven years, even if there have been no changes during that period.
- 2.2 Consultation must last for a minimum of six weeks and take place between 1 October and 31 January in the determination year. This means that schools are consulted in the autumn term each year for admissions nearly two years later. The process is therefore, based to some degree on schools’ best estimates of the numbers of requests for places informed by the Council’s forecasting model, which takes into account the patterns of parental preference over the years. Since North Yorkshire Council is the only body that may determine the matter, it falls to the Council to determine the arrangements in February each year.
- 2.3 The Education (Relevant Areas for Consultation on Admission Arrangements) Regulations 1999 (SI 1999 No. 124) require local authorities to determine relevant areas for consultation on admission arrangements. The relevant areas for schools maintained by North Yorkshire Council are as follows:
- 2.3.1 For Community and Voluntary Controlled Schools, the relevant area for consultation is the entire County of North Yorkshire, plus the City of York and the area of Bradford Metropolitan Authority served at secondary level by South Craven School.
- 2.3.2 For Voluntary Aided, Foundation, Trust Schools and Academies the relevant area for consultation is North Yorkshire Council and admission authorities within a radius of 3 miles of the school, including admission authorities in neighbouring local authority areas.
- 2.3.3 It is proposed that relevant areas for consultation remain unchanged.
- 2.4 Consultation has taken place with the headteachers and governors of three Nursery Schools, 297 Primary schools (85 Community, 77 Voluntary Controlled (VC), 21 Voluntary Aided (VA), 90 Converter Academy Schools, 21 Sponsored Academy schools, two Free Schools and one Foundation Trust). The local authority also consulted 43 Secondary schools (13 are Community,

one Voluntary Aided (VA), 20 Converter Academy Schools 8 Sponsored Academy Schools and one Free School), parents and other groups in the local area, the 13 neighbouring authorities, and with the relevant diocesan authorities. The consultation took place between 27 October and 15 December 2023 and was published on the NYC website; all schools are asked to display a poster promoting the consultation and providing a link to the consultation with details of how to obtain a hard copy of the consultation documents.

**2.5** At the closing date of 15 December 2023, a total of 208 responses had been submitted. The majority of responses were from schools and in respect of their published admission numbers (PAN). Any Member wishing to see the detail of a response from a school in their area may do so by contacting the Admissions Team at [schoolorganisation@northyorks.gov.uk](mailto:schoolorganisation@northyorks.gov.uk)

**2.6** Schools were asked to express their agreement or otherwise with the proposals relating to their own proposed Published Admission Number (PAN), the proposed admissions policy for Community and Voluntary Controlled schools, the proposed admissions policy for LA maintained Nursery schools and classes, pre-reception classes and pre-schools under school governance. In addition, they had the opportunity to make any other comments. Not all school respondents commented on every proposal within the consultation.

**2.7** As in previous consultations it has been seen that many consultees simply respond to the agree/disagree questions. In an effort to encourage greater interaction with the wider range of consultees, all respondents were asked to put forward comments on any aspect of the consultation.

### **3.0 Key aspects of the consultation and responses**

**3.1** Admissions policy 2025/26 (criteria for determining admissions where schools are oversubscribed)

3.1.1 The proposed admission policy for local authority maintained community and voluntary controlled schools, and the proposed policy for nursery schools and schools with nursery and pre-reception classes have been updated to reflect the relevant dates for 2025-26.

3.1.2 Of the 207 school respondents, no schools made comment in respect of the proposed arrangements for community and voluntary controlled schools. No responses have been received from any of North Yorkshire's neighbouring LA's.

3.1.3 Equally, no schools or neighbouring LA's made comment in respect of the proposed Admission Policy for Nursery Schools, Schools with Nursery and Pre-reception classes

**3.2** Proposed co-ordinated Admission Arrangements 2025/26

3.2.1 The proposed co-ordinated Admission Arrangement documents were updated to reflect the relevant dates for 2025-26 and consulted upon.

3.2.2 Of the 207 school respondents, no schools made comment in respect of the proposed co-ordination arrangements. No responses have been received from any of North Yorkshire's neighbouring LA's.

**3.3** Proposed changes to school catchment area – Thirsk School and Sixth Form College

3.3.1 Officers identified that there were three villages in an area that is served by Knayton CE Primary School where the secondary catchment area differs to the remaining villages in the same primary catchment area. These villages are Kewwick, Over Silton and Nether Silton

3.3.2 Kewick, Over Silton and Nether Silton are served by Northallerton School and Sixth Form College. The remaining villages in the Primary catchment area are served by Thirsk School and Sixth Form College.

3.3.3 This resulted in an anomaly whereby the majority of children living in the Knayton CE Primary area were given priority for places at Thirsk School and Sixth Form College under Criterion 3 of the Admission Arrangements (in catchment), whereas the children living in Kewick, Over Silton and Nether Silton are not given the same priority as they were considered to be out of area for Thirsk School and Sixth Form College.

3.3.4 To remove any potential issues for parents, carers and children who currently live in Kewick, Nether Silton and Over Silton it is proposed that the current catchment area for Thirsk School and Sixth Form College is extended to include those three parishes.

3.3.5 Parents and carers within this extended area will still be able to preference Northallerton School and Sixth Form College as their catchment School and Thirsk School and Sixth Form College as their joint catchment school.

3.3.6 One consultee responded regarding the proposed change to the catchment area:

*Knayton Parish Council supports the proposal that the three villages - Kewick, Over Silton and Nether Silton - served by Knayton CE primary school should have the catchment area changed so that they are served by Thirsk School and 6th Form College.*

#### **4.0 Published Admission Numbers (PAN)**

4.1 The proposed Published Admission Numbers (PAN's) for 2025/26 are attached at appendices 6 and 7. The Council sets the admission limits of Community and Voluntary Controlled schools in consultation with the governing body of the school.

4.2 An own admission authority school (Voluntary Aided, Foundation, Trust Schools, Academies or Free Schools) is not required to include a proposal to increase or keep the same admission number in any consultation on admission arrangements. Conversely, all admission authorities must consult if they propose a decrease in PAN. As the admission authority for a community or voluntary controlled school the Council must consult the governing body of each school whether it proposes to increase, decrease or keep the same admission number. Community and Voluntary Controlled schools have the right to object to the Schools Adjudicator if the PAN set for them is lower than they would wish.

4.3 The Council has consulted with the governing bodies of all community and voluntary controlled schools as part of this annual consultation process. There are 184 Community and Voluntary Controlled schools of which 136 agreed, five requested a PAN change and 43 schools didn't respond. Officers have been able to agree the request of all five schools who requested a change.

4.4. The Council is responsible for school place planning across the whole of the county and must ensure that there are sufficient school places for every child of statutory school age. This means that schools cannot be considered in isolation, and the wider impact of any change in admission numbers must be taken into consideration.

#### **5.0 Co-ordinated Admission Arrangements**

5.1 All admission authorities must participate in co-ordination and provide the Council with the information it needs to co-ordinate admissions for the normal admission rounds by the dates agreed within the scheme.

**5.2** There is no longer a mandatory requirement for local authorities to undertake in-year co-ordination for schools for which we are not the admission authority. We can however coordinate in year admissions with the agreement of the relevant admission authorities.

**5.3** It is proposed that within North Yorkshire the Council will continue to co-ordinate in-year admissions for all community and voluntary controlled schools. In order for the scheme to operate effectively across all schools, including own admission authority schools, it is proposed that the Council will also continue to co-ordinate in-year admissions on behalf of the governing bodies of own admission authority schools which elect to be party to the scheme.  
The In Year Co-ordinated Admission Arrangements Scheme (Appendix 1a) proposes the retention of in-year co-ordination of admissions by the Council including own admission authority schools

## **6.0 General Comments**

**6.1** All schools were given the opportunity to submit any general comments in relation to the consultation, the majority of schools did not do so.

## **7.0 Legal Implications**

**7.1** The consultation on proposed admissions arrangements for 2025/26 is in accordance with the requirements of the School Admissions Code 2021 and associated legislation. Failure to comply with admission arrangements as determined can lead to challenge by way of objections to the Schools Adjudicator or complaints to the Local Government Ombudsman.

**7.2** The Council has considered that if the recommendations are accepted, they have universal application, and therefore no adverse impacts upon any person or groups who have protected characteristics under the Equality Act 2010.

## **8.0 Recommendations**

**8.1** The Executive is asked to recommend the proposed Admission Arrangements for 2025/2026 to full Council for approval on 21 February 2024 and include:

- the proposed co-ordinated admission arrangements (appendix 1)
- the proposed co-ordinated in year admission arrangements (appendix 1a)
- the proposed admission policy for community and voluntary controlled schools (appendix 2)
- the proposed admission policy for nursery schools, schools with nursery classes and pre-reception classes (appendix 3)
- the proposed published admission numbers (PAN's) for community and voluntary controlled schools as shown in appendices 6 (Primary) and 7 (Secondary)
- Proposed changes to school catchment area – Thirsk School and Sixth Form College (appendix 8)

ARRANGEMENTS  
Primary and Secondary

## Co-ordinated arrangements 2025-2026

Under the School Standards and Framework Act 1998, local authorities are required to formulate and determine co-ordinated arrangements for primary and secondary school admissions. These regulations and the School Admissions Code 2021 specify what must be included in the coordinated arrangements.

North Yorkshire Council's Co-ordinated Admission Arrangements ('the arrangements') provides an open and fair way for considering parental preferences for admission to schools. It applies to all mainstream state funded primary and secondary schools in North Yorkshire who admit children at the 'normal year' of entry, that is at the start of Reception, transferring from an infant to a junior school and at the start of Year 7. The scheme is reviewed annually.

The aim of the arrangements is to ensure that every child living in North Yorkshire, who is due to start at a North Yorkshire primary school, or transfer to junior or secondary school, is offered a single school place on the same day. It aims to ensure that each parental preference is considered equally, and parents receive a school place in accordance with their highest ranked preference that is available. This scheme applies to admissions in the normal round but not those that take place in-year. In-year admissions are those made during the school year and applications for admission to age groups other than the normal year of entry.

North Yorkshire Local Authority (LA) will work with Community, Voluntary Controlled, Voluntary Aided, Foundation, Trust primary and secondary schools and Academies including Free Schools within North Yorkshire, to ensure the co-ordinated scheme operates as smoothly as possible for parents and we will work closely with our thirteen neighbouring authorities to ensure admission arrangements are co-ordinated. Our 13 neighbouring admission authorities are listed below. The Voluntary Aided, Foundation, Trust schools and Academies are listed as Appendix 4 and Appendix 5.

The admission of children with an Education, Health and Care plan are covered by different admission regulations. Following negotiation, if a mainstream school has been named, a place will be allocated for these children before considering other applications.

After consideration of all parental preferences for all schools with reference to the order in which these are ranked, the LA will notify parents living within North Yorkshire of the offer of one school place on behalf of all admission authorities operating within the co-ordinated admissions scheme.

The detailed arrangements and timetables for co-ordinating school admission with the separate arrangements for secondary and primary schools can be found at Addendum 1 and 2.

The arrangements for In Year admissions can be found in a separate document Co-Ordinated admission arrangements 2025-2026 – In Year. This document is also

available on our website at [www.northyorks.gov.uk/admissions](http://www.northyorks.gov.uk/admissions)

The website includes information about:

- The operation of our admissions schemes for all North Yorkshire Community and Voluntary Controlled schools;
- The timescales and timetables for each admission process;
- The number of allocations made at each school in the previous school year;
- The number of schools that were oversubscribed resulting in parental appeals and the numbers and outcome of these appeals. This information about allocations and appeals should help parents to assess realistically their likelihood of obtaining a place at their preferred schools.

## Co-ordination

1. The scheme does not affect the duty of the governing bodies of Academies including Free Schools, Voluntary Aided, Foundation and Trust schools to determine their own admissions policies.
2. We will receive information of children expressing preferences for our Community, Voluntary Controlled, Voluntary Aided, Foundation and Trust Schools and Academies including Free Schools from neighbouring LAs, which we will process as part of our co-ordinated arrangements along with those for North Yorkshire children.
3. Parents requesting literature on Voluntary Aided, Foundation, Trust schools or Academies including Free Schools or non-North Yorkshire schools will be referred to the appropriate school or admissions authority. Where non-North Yorkshire parents complete our form in error, we request that parents submit a further form through their home authority.
4. We will receive complete ranked lists of all preferences from North Yorkshire Voluntary Aided, Foundation, Trust schools and Academies including Free Schools as well as lists from neighbouring Local Authorities of children to whom they can offer places. We will produce lists of children to whom we can offer places at our Community and Voluntary Controlled Schools. We will inform our neighbouring LAs which of their children can and cannot be offered places at any of our schools.
5. Having received information from other admissions authorities, we will allocate places to children living in our area according to the highest ranked preference for which a place is available.
6. Where we cannot meet any of the parental preferences expressed for a North Yorkshire child we will allocate a place at an alternative school with places available after all those listing a preference for the school have first been allocated a place. This may or may not be the local school and may be some distance from their home.

- Supplementary Information Forms may need to be completed by parents applying for Voluntary Aided primary or secondary schools or Academies including Free Schools.

## Admissions Co-ordination 2025/2026

The number of schools as at October 2023

### **Secondary**

North Yorkshire's co-ordinated admissions scheme applies to one Voluntary Aided Secondary School, 13 Community Secondary schools, 28 Academies, and one Free School UTC.

### **Primary**

One Foundation Primary, 111 Academy, 21 Voluntary Aided Primary Schools and 162 Voluntary Controlled and Community Primary Schools. In September 2024 a new primary free school will open making a total of three Free Schools.

We co-ordinate with four Diocesan Authorities and 13 Neighbouring Authorities.

On line applications for school places can be made by logging on to our website at [www.northyorks.gov.uk/primaryadmissions](http://www.northyorks.gov.uk/primaryadmissions) or [www.northyorks.gov.uk/secondaryadmissions](http://www.northyorks.gov.uk/secondaryadmissions).

## Applying for a Primary, Infant, Junior or Secondary School Place

- Parents can list up to five schools in order of preference. Parents should consider including their local/catchment school as one of their preferences, because if we are unable to meet a higher preference and their local/catchment school is oversubscribed, we will allocate children a place at the nearest school with places available which may be some distance from their home.
- If parents name a school other than their catchment area school, they will be responsible for transport under the terms of the Home to School Transport Policy.

## Late Applications

- Any Common Application Form for school places received after the closing date of 31 October 2024 for secondary schools and 15 January 2025 for primary schools will be considered as a late application unless a reason has been provided that is acceptable to us as the admission authority. Late applications whose reasons have been agreed will be considered along with applications received on time.
- Applications received on or after 3 March 2025 for secondary schools or 16 April 2025 for primary schools will be co-ordinated using the same arrangements and

criteria as previous applications. The offer of a school place will be made in accordance with our agreed and published scheme. However, applications received after the first day of the school year will be considered as in-year applications.

12. Any changes of address for secondary school applications received after 30<sup>th</sup> November 2024 and for primary school applications after 18<sup>th</sup> February 2025 will not be considered until after the respective national offer day.
13. Changes cannot be made, in respect of preferences, for secondary schools after 30<sup>th</sup> November 2024 and to primary applications after 18<sup>th</sup> February 2025. Any late applications and changes received after these dates will only be processed after the allocation's dates of 3 March 2025 for secondary applications and 16 April 2025 for primary applications.

## The Offer of a Place

14. No places will be held in reserve for any school.
15. We will contact all parents of North Yorkshire children on 3 March 2025 for Secondary Schools and on the 16 April 2025 for Primary, Infant and Junior Schools, notifying them of the single school place allocated to their child or children.
16. The place offered could be at one of our Community or Voluntary Controlled schools, Voluntary Aided, Foundation, Trust schools or Academies including Free Schools within North Yorkshire or a school in an area served by another LA.

## Appeals

17. Where we have been unable to offer a school place listed as a higher preference, parents will be offered the statutory right of appeal against the decision.
18. In such circumstances, the offer email or letter will give the reasons why we have been unable to allocate their other listed preferences. Where the statutory right of appeal is the responsibility of North Yorkshire LA we will inform the parents where the appeal forms can be located on the NYC website.
19. Where the responsibility is that of another admissions authority, we will advise parents to contact them to confirm appeal arrangements.
20. Where the LA has multiple appeals for one school these will be grouped appeals unless the authority decides that this would not be appropriate.
21. Parents refused a place at a North Yorkshire school by their home authority will be informed that they should contact North Yorkshire to discuss the appeals process.
22. The outcome of successful admission appeals will lead to further modifications to the original allocation. These changes must be communicated to other admission

authorities (and theirs to us) to enable all authorities to make final adjustments to the allocation.

23. Once appeals have been completed, we will communicate with all the schools within our boundary to ensure that they have a correct and up-to-date allocation list.

## Waiting Lists

24. A waiting list must be maintained for all oversubscribed Community, Voluntary Controlled, Voluntary Aided, Foundation, Trust Schools and Academies including Free Schools until at least 31 December 2025. Each child added to the waiting list will require the list to be ranked again in line with the school's published oversubscription criteria.
25. The LA requires the governing body of Voluntary Aided, Foundation, Trust Schools and Academies including Free Schools to update us when places become available unless the LA are maintaining the schools waiting list on their behalf. The co-ordination regulations require that any offer of a school place must always be made by the LA.
26. Where places become available they will be allocated from the waiting list in accordance with the published oversubscription criteria. The school admissions team will offer the place to the child at the top of the waiting list. Parents will have five working days to reply before the place is offered to another child. If North Yorkshire Council, after using all advised contact details, is unable to contact a successful applicant to offer a place, the available place will be offered to the next child who qualifies for that place from the waiting list. The Authority will confirm, in writing, that the child has been removed from the waiting list. Should a parent wish for a child(ren) to be placed back on the waiting list they will need to notify the LA in writing. It is the applicant's responsibility to keep the authority informed of updated contact and address details.
27. If a family change address whilst their child is on a waiting list, they will be required to send evidence of the new address. If the change of address affects their child's position(s) on any waiting list(s), then the position will be changed accordingly.
28. Where we are able to offer a place to a non-North Yorkshire child from the waiting list we will liaise with their home authority.

## Secondary Transfer Scheme 2025/2026

29. The secondary scheme enables parents living within North Yorkshire whose children are transferring to secondary school to complete a single application either on-line or in paper form.
30. The parents of Year 6 children who will be Year 7 in September 2025 will be informed by letter via their child's primary school that they will need to apply on-line for a school

place. They can express up to five preferences for admission to any Community, Voluntary Controlled, Voluntary Aided, Foundation, Trust schools and Academies including Free Schools within both North Yorkshire and neighbouring LA areas, giving reasons for their preferences where appropriate.

31. Parents without internet access will be informed that they will need to contact the admissions team for a paper copy of the common application form to enable them to apply for a school place for their child.
32. Parents will be informed that supplementary information may also be requested by Voluntary Aided, Academies including Free Schools or non-North Yorkshire schools, in order for the school to apply their oversubscription criteria.
33. Common application forms will be required for all transfers at Year 7. Applications for any other year group, apart from the normal year of entry (Year 7) will be dealt with as in-year applications.
34. Parents must return their applications by the closing date of 31 October 2024.
35. Parents will not be allowed to change their preferences after 31 October 2024, without a reason that is acceptable to the admission authority. The final date to accept any change or a late application is 30<sup>th</sup> November 2024.
36. Parents who wish their children to attend independent schools will be encouraged to tell us. Independent schools are not included in the co-ordinated arrangements. These parents may also wish to apply for a place at a North Yorkshire school.
37. If parents living outside of North Yorkshire enquire about our schools, they will be directed to the North Yorkshire Council website. Parents will be advised to complete a common application form for their home authority.
38. On the common application form, parents will need to provide their child's name and residential address. The address provided must be where the child lives permanently. If residency is split, the address provided should be the place where the child lives for the majority of the school week (Monday to Friday). Confirmation and agreement in writing by both parents will be required.
39. The offer of a single school place will be made on 3 March 2025 and allocation correspondence will be sent on that date. For those who have completed a paper application or requested a letter, letters will be sent on that date by second-class post.
40. We will offer a place at a North Yorkshire school even if parents have not completed a common application form because we have a duty to ensure a school place is available for every North Yorkshire child.
41. Parents who do not wish to accept a place at a school offered to them must notify the admission authority as soon as possible in writing advising the LA of the alternative provision that is being made. Without this information, the place will remain allocated.
42. The timetable for secondary school admissions is attached at Addendum 1 of

this document - the Co-ordinated Admissions Arrangements, Secondary Transfer 2025/2026.

## Selection

43. There are three selective grammar schools within North Yorkshire; a Voluntary Aided boys' school, a mixed co-educational school and a girls' school, which has Academy Trust status.
44. If a child is entered for selection testing, parents must make sure that they name the selective school they would like them to attend on the common application form.

### **Skipton Selection**

45. Ermysted's Grammar School is a selective grammar school that offers education to boys aged 11 to 18 who are deemed suitable for a grammar school education in accordance with their selection scheme. Further information about the tests can be obtained direct from the school
46. Skipton Girls' High School is a selective grammar school that offers education to girls aged 11 to 18 who are deemed suitable for a grammar school education in accordance with their selection scheme. Further information about the tests can be obtained direct from the school
47. The governing body of Ermysted's Grammar School (Voluntary Aided) and the academy trust of Skipton Girls' High School are responsible for applying their own admissions policies and the LA applies the published co-ordinated admissions arrangements on behalf of these schools.
48. The Skipton Academy is a non-selective Academy and Upper Wharfedale School is a non-selective secondary school in a selective area offering education for children aged 11 to 16.

### **Ripon Selection**

49. Places will normally be provided at Outwood Academy Ripon and Ripon Grammar School for children who live in the City of Ripon together with the parishes of Aldfield, Azerley, Bishop Monkton, Bridge Hewick, Burton Leonard, Copt Hewick, Eavestone, Givendale, Grantley, Grewelthorpe, Hutton Conyers, Kirkby Malzeard, Laverton, Lindrick, with Studley Royal and Fountains, Littlethorpe, Markenfield Hall, Markington-with- Wallerthwaite, Newby-with-Mulwith, North Stainley with Sleningfird, Sawley, Sharow, Skelding, Skelton, Studley Roger and Winksley.
50. Outwood Academy Ripon is a non-selective Academy in a selective area offering education for children aged 11 to 18. Ripon Grammar School is a selective grammar

school that offers an education for children aged 11 to 18. Children can only be admitted to Ripon Grammar School if they have been deemed suitable for a grammar school education, in accordance with the LA selection scheme for Ripon Grammar School. The LA administers both the published selection scheme and the allocation of school places at Ripon Grammar School, as it is a community school. The LA will apply the published co-ordinated admission arrangements on behalf of both Outwood Academy Ripon and Ripon Grammar School.

51. All children living and attending schools within the area served by the Ripon schools will be invited to sit the selection tests. Parents will be required to return a reply slip to confirm if they wish their child to sit the test.

### **Ripon Selection Tests**

52. Tests for all forms of selection must be clear and objective and give an accurate reflection of the child's ability or aptitude, irrespective of sex, race or disability. It is for the admission authority to decide the content of the test, providing that the test is a true test of aptitude or ability.

53. The results of these selection tests are used to identify the highest scoring 28% or as close as possible of Year 6 children who live in the Ripon selective area. This procedure sets the cut-off mark in the selective area and sets the standard, which children in Ripon must reach, to be deemed suitable for a grammar school education.

54. For us to consider children who live outside the selective area to be deemed suitable for a grammar school education at Ripon Grammar School they must reach the cut-off mark which is set by the performance of the children who live in the selective area, as explained above.

55. There is no guarantee that children who reach the cut-off mark in the selection tests will be allocated a place at Ripon Grammar School. If the school is oversubscribed with children who are deemed suitable for a grammar school education, places will be allocated using the published oversubscription criteria.

56. The LA ensures that parents are aware that meeting the academic requirements for entry to Ripon Grammar School is not, in itself, a guarantee of a Grammar School place.

57. If a child is refused a place at the school on 3 March 2025, parents will be offered their statutory right of appeal for a place at the school.

58. The School Admissions Code 2021 states that LAs should take all reasonable steps to inform parents of the outcome of selection tests before the closing date for secondary applications on 31 October so as to allow parents time to make an informed decision when selecting their preferences.

59. The LA must ensure that tests are accessible to children with special educational needs and disabilities, having regard to the reasonable adjustments for pupils with a disability required under equalities legislation.

## **Selection Testing 2025/2026**

60. Selection testing will take place on Saturday 7<sup>th</sup> September 2024 and the results of selection testing will be sent out to parents on 9<sup>th</sup> October 2024.
61. Late tests will take place on designated dates during the year. There will be dates set in January for any children moving into the area or for any children where there is a genuine reason that is agreed by the LA. Any other late tests will take place in April, June and August.

## **Primary Transfer Scheme 2025/2026**

62. The primary scheme enables parents living within North Yorkshire to complete a single application either on-line or in paper form listing up to five preferences for admission to any primary, infant or junior schools within both North Yorkshire and neighbouring LA areas, giving reasons for their preferences where appropriate.
63. Parents without internet access will be able to contact the LA for a common application form to enable them to apply for a primary school place for their child.
64. If parents list a Voluntary Aided school or Academy including Free Schools as a preference the school may request supplementary information in order for them to apply their oversubscription criteria.
65. Parents must return the common application forms by the deadline of 15 January 2025.
66. Parents will not be allowed to change their preferences after 15 January 2025 without a reason that is acceptable to the admission authority.
67. Parents who wish their children to attend an independent school will be encouraged to tell us. Independent schools are not included in the co-ordinated arrangements. These parents may also wish to apply for a place at a North Yorkshire school.
68. If parents living outside of North Yorkshire enquire about our schools they will be directed to the North Yorkshire Council website. Parents will be advised to complete a common application form for their home authority.
69. On the common application form parents will need to provide their child's name and residential address. The address provided must be where the child lives permanently. If residency is split between two parents, the address used must be the address where the child lives for the majority of the school week (Monday to Friday). Confirmation and agreement in writing from both parents will be required.
70. For primary school applications, where a parent has applied on time, an offer of a school place will be made on the 16 April 2025.
71. Parents who do not wish to accept a place at a school offered to them must notify the admission authority as soon as possible in writing advising the LA of the

alternative provision that is being made. Without this information, the place will remain allocated.

72. The timetable for primary school admissions is attached at Addendum 2 of this document - Co-ordinated Admissions Arrangements, Primary Transfer 2025/26

### Admission of children below compulsory school age and deferred entry

73. Admission authorities must provide for the admission of all children in the September following their fourth birthday.
74. Where a place is offered at a maintained NY school:
- a) that child is entitled to a full-time place in the September following their fourth birthday;
  - b) the child's parents can defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which it was made; and
  - c) where the parents wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age.

### Admission of children outside their normal age group

75. Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health.
76. Parents of a summer born child, ie children born from 1 April to 31 August may also request admission outside their normal age group
77. When such a request is made, the admission authority will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the views of the Headteacher and any supporting evidence provided by the parent. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.
78. Where an admission authority agrees to a request and as a consequence of that decision the child will be admitted to a relevant age group ie the age group pupils are normally admitted to the school, the Authority and admission authority will process the application as part of the main admissions round, unless the parental request is made too late to allow this. The determined admission arrangements and application of oversubscription maybe applied.

79. An application will not be given lower priority on the basis that the child is being admitted out of their normal age group.

80. Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school, but it is not in their preferred age group

### Children of UK service personnel and crown servants

81. For families of service personnel with a confirmed posting, or crown servants returning from overseas, the admission authority will:
- a. Allocate a place in advance of the family arriving in the area (as long as one is available), provided the application is accompanied by an official letter that declares a relocation date.
  - b. Use the address at which the child will live when applying their oversubscription criteria, as long as the parents provide some evidence of their intended address. Admissions authorities **must** use a Unit or quartering address as the child's home address when considering the application against their oversubscription criteria, where a parent requests this.

### Applications from outside of England

82. Families moving or returning to North Yorkshire from outside of England can apply for a school place in the normal admission round.

83. Where a school is oversubscribed evidence that a family intend returning or moving to the North Yorkshire such as a copy of flight tickets or travel arrangements will be requested.

84. Where an application is made from another country, and the applicant is not resident in North Yorkshire on the last date for changes and is not able to provide the authority evidence of their return to the area, then the oversubscription criteria for the admission authorities of the preference school will be applied using the current home address

85. It is the responsibility of parents of foreign nationals to check that their children have a right under their UK entry conditions to study at a school before applying for a school place.

Proposed  
North Yorkshire Council  
CO-ORDINATED  
ADMISSION ARRANGEMENTS  
  
IN-YEAR  
  
2025/2026

## Introduction

1. In-year admissions are those, which occur outside of the normal admissions round. The normal admissions round refers to admissions, which admit children into infant, junior, primary or secondary school in the first year of entry. These applications for a primary and secondary school become in-year if they are submitted on or after the first day of the first school term of the admission year.
2. The scheme applies to 'in year applications' for a place from Reception to Year 11. Applications for Year 12 or 13 should be made directly to the appropriate school or college.
3. There is no requirement for LAs to co-ordinate in-year applications in accordance with the School Admissions Code 2021 for schools for which they are not the admission authority.
4. They may however, co-ordinate in-year applications for any or all own admission authority schools in their area, with the agreement of the relevant admission authorities.
5. The admission of children with an Education, Health and Care Plan are covered by different admission regulations.
6. More information on applications within the normal admissions rounds can be found in the relevant North Yorkshire Council coordinated admissions arrangements for primary, junior and secondary admissions.

## Aims and Expectations

7. The scheme aims to provide a framework for a fair and open way of determining in year applications for a school place.
8. This scheme is a coordinated scheme for in year applications and it is available to the admission authorities of all mainstream state funded primary, infant, junior and secondary schools in North Yorkshire Council.  
In line with the School Admission Code 2021, should an admission authority wish to utilise this scheme and agree for the council to coordinate in year admission to their schools, they should:
  - inform the authority by 1 August whether they intend to be part of the local authority's in-year co-ordination scheme for the following year 1 September to 31 August
  - provide the local authority with all the information that the local authority is required to publish on its website, including application forms if appropriate
  - commit to the co-ordination, processes and timescales in relation to in year processes for the duration of the school year for which they have requested
  - place information on their website by 31 August and throughout the whole school year advising interested parents/cares of the process of coordination by the authority
  - not at any time during the school year admit pupils other than through the process of coordination by the council
9. The local authority will publish information on our website by 31 August to explain how in-year applications can be made and how they will be dealt with from 1 September onwards in that year.
10. On request the authority will provide information to prospective parents about the places still available in all schools within their area. To allow the authority to comply, in line with the Admissions Code 2021, admission authorities for all schools in the area must provide NYC

School Admissions team with details of the number of places available at their schools whenever this information is requested, to assist a parent seeking a school place. Details on available places should be provided no later than two school days following receipt of a request from the Authority.

11. Admission authorities must not, refuse parents the opportunity to make an application or be told that they can only be placed on a waiting list rather than make a formal application
12. The scheme aims to provide a framework for a fair and open way of determining in year applications for a school place.

In determining applications for school places, admission authorities must comply with parental preference unless the published oversubscription criteria or one of the statutory reasons for refusing admission applies.

With the exception of designated grammar schools, all maintained schools, and academies, including schools designated with a religious character, that have places available must offer a place to every child who has applied for one, without condition or the use of any oversubscription criteria, unless admitting the child would prejudice the efficient provision of education or use of resources (excluding the normal year of entry i.e. Reception, Year 3 and Year 7) . For example, admission authorities **must not** refuse to admit a child solely because:

- a) they have applied later than other applicants;
- b) they are not of the faith of the school in the case of a school designated with a religious character;
- c) they have followed a different curriculum at their previous school; or
- d) information has not been received from their previous school.

13. Where an admission authority is dealing with multiple in-year admissions and does not have sufficient places for every child who has applied for one, they must allocate places based on the oversubscription criteria in their determined admission arrangements only

## Application and allocation process

14. Where a child is already attending a North Yorkshire school and they wish to transfer to another school, parents should, in the first instance discuss the transfer with the current school.
15. Applicants living in North Yorkshire who want to apply for a school place or those families who are moving into North Yorkshire may apply by completing an application form.
16. The form is for applicants to express a preference for places both in North Yorkshire schools and at schools maintained by other local authorities and academies in other local areas.
17. Only one application can be processed for a child at a given time. Where an application is received from more than one parent for the same child and the schools differ, the Authority will inform both applicants. In most circumstances, the application (s) will not be processed until agreement with both applicants is received or one applicant can prove that they have a legal right to have their preferences considered over the other.
18. Following submission the Authority may seek clarification on details in an application or further information in relation to the application including proof of address.

19. An application will be processed 6 school weeks in advance of when the place is required. Applications received more than a term in advance maybe put on hold or withdrawn, for example where there are outstanding applications for the current term or half term that require processing eg an application made in April for Year 3 in the next school year will be dealt with after applications for Year 2 for the same cohort in the current year.
20. Parents can list up to five preferences and the application also allows parents to:
- provide reasons why they want a place at that school, this information is passed to the relevant admission authority,
  - list the schools in order of preference
  - provide any other details that maybe pertinent to the processing of their application for example start date, future address, siblings at their preferred school
21. Parents are advised to consider their catchment school for their home address as well as any implications of home to school transport when expressing preferences. Each home address falls in a catchment area designated by the Authority. This information is available online at [www.northyorks.gov.uk/admissions](http://www.northyorks.gov.uk/admissions) and upon request from the School Admissions Team.
22. Where a preference is expressed for a school in another local authority area, the application and relevant information will be forwarded to the relevant local authority.
23. Where a local authority in another area does not coordinate in year admissions the authority will accept an application from a resident of another local authority.
24. Families moving or returning to North Yorkshire from outside of England will have their application considered and an application will be processed up to 6 weeks in advance of the requested start date.
- Where a school is oversubscribed evidence that a family intend returning or moving to North Yorkshire, such as a copy of flight tickets or travel plans, will be requested.
  - Where an application is made from another country, and the applicant is not able to provide the authority evidence of a return to the area before the requested start date then the oversubscription criteria for the admission authorities will be applied using the current home address.
  - It is the responsibility of parents of foreign nationals to check that their children have a right under their UK entry conditions to study at a school before applying
25. For families of service personnel with a confirmed posting, or crown servants returning from overseas, admission authorities **must**:
- a. Allocate a place in advance of the family arriving in the area (as long as one is available), provided the application is accompanied by an official letter that declares a relocation date. Admission authorities **must not** refuse to process an application and **must not** refuse a place solely because the family do not yet have an intended address, or do not yet live in the area.
  - b. Use the address at which the child will live when applying their oversubscription criteria, as long as the parents provide some evidence of their intended address. Admissions authorities **must** use a Unit or quartering address as the child's home address when considering the application against their oversubscription criteria, where a parent requests this.
26. Voluntary Aided schools or Academies including Free Schools may require parents to complete a supplementary information form (SIF) when applying for a school place.

27. When the authority receives an in-year preference form from a parent requesting any North Yorkshire school, we will liaise with all schools listed as a preference, whilst still attempting to comply with the parent's highest ranked preference of school.
28. A child's eligibility for a place at a school will be determined by the preferred school's admission arrangements and with reference to the Fair Access Protocol (see below)
29. The governing bodies both primary and secondary Voluntary Aided, Foundation, Trust and Academies including Free Schools must apply their admission arrangements to determine a child's eligibility for a place at the school.
30. Responses regarding the allocation of places or where an admission authority is not able to offer a school place should ideally be received within 5 days of a request by the authority and no later than 9 days of a request. This applies to community and voluntary controlled schools in North Yorkshire and from the schools of admission authorities that have agreed for the authority to coordinate in year applications. This will allow the authority to notify parents of the outcome (below) in line with the timescales in the School Admissions Code 2021
31. The authority will aim to notify the parents of the outcome of their application in writing within 10 school days and no later than 15 school days.
32. The authority will advise of which preference can be offered and where any higher preferences cannot be met we will provide the reason for refusal and provide information about the right to an admission appeal
33. Where an admission authority manages its own in-year admissions, it **must** also notify the local authority of every application and its outcome as soon as reasonably practicable, but should aim to do so within two school days. This is to allow the local authority to keep up to date figures on the availability of places in the area and to ensure they are aware of any children who may not have a school place.
34. Parents who do not wish to accept a place at a school offered to them must notify the admission authority in writing within 2 weeks of the offer being made
35. The date of admission to school is not set by the School Admissions Team as it is an agreement between the new school and parents
36. It is normal for a child to start at the beginning of the term or half term, where a new school is within a reasonable distance. This allows for the new school to prepare adequately for their admission. Where a child moves into the area and the previous school is not with a reasonable distance the new schools will arrange a start date as soon as possible.

## Admission of children outside their normal age group

37. Families may seek a place for their child outside of his/her normal age group under various circumstances such as:
  - ill health,
  - if the child is gifted and talented or
  - when the child has experienced problems
  - delayed entry for summer born children
38. Where a request is made, the admission authority will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the views of the Headteacher and any supporting evidence provided by the parent. This will

include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

39. Whilst decisions on whether to allow admission to a year group other than their chronological year are made by individual admission authorities applicants are advised that it is unusual for an admission authority to agree to such a request
40. Where possible children should be educated in their normal age group, with the curriculum differentiated as appropriate. Changing year group is a big issue with implications for the rest of a child's schooling and the exceptional circumstances on which it is decided have to be based on need and not want. In no instance should this be more than a single national curriculum year.

## Appeals

41. Where a place is refused at a school applicants have a statutory right to an admission appeal. If a preference for a place at a school is refused the applicant will be informed of the reason for a place being refused and the right of an appeal
42. This right of appeal does not apply if a place is allocated but is not in a parent/carer's preferred year group.
43. Parent/carers can only appeal once in an academic year unless, in exceptional circumstances, the admission authority has accepted a second application because of a significant and material change in circumstances.
44. Where there is more than one admission appeal for the same year group and same school, these appeals maybe heard as a 'grouped appeal' for the first stage of the appeal. A parents specific reasons for appealing, second stage, will still be heard individually.
45. Where a place is refused at a school outside of North Yorkshire, local appeal arrangements may differ from above. Applicants are advised to contact that local authority to discuss the arrangements.

## The Fair Access Protocol (FAP)

46. A child's eligibility for a place at a school will be determined by the in year admission arrangements and when required with reference to the Fair Access Protocol.
47. The School Admissions Code states that each local authority must have a Fair Access Protocol that is agreed by the majority of schools in the area. The FAP is to ensure that unplaced and vulnerable children and those who are having difficulty in securing a school place in-year, are allocated a school place as quickly as possible.
48. Eligibility for the Fair Access Protocol does not limit a parent's right to make an in-year application to any school for their child. Admission authorities must process these applications in accordance with their usual in-year admission procedures and must not refuse to admit such children on the basis that they may be eligible to be placed via the Fair Access Protocol. Where an in year application is refused a parent will continue to have the right of appeal, even if the child has been offered a school place via the Fair Access Protocol.
49. There is no duty for local authorities or admission authorities to comply with parental

preference when allocating places through the Fair Access Protocol, but parents' views should be taken into account.

## PROPOSED ADMISSIONS POLICY FOR COMMUNITY AND VOLUNTARY CONTROLLED SCHOOLS FOR THE SCHOOL YEAR 2025/26

All governing bodies are required by section 324 of the Education Act 1996 to admit to the school a child with an Educational Health and Care Plan (EHCP) that names the school. This is not an oversubscription criterion. This relates only to children who have undergone statutory assessment and for whom a final Educational Health and Care Plan has been issued.

If the number of applications exceeds the Published Admission Number (PAN), after the admission of children where the school is named in the Education Health and Care Plan the following oversubscription criteria will apply:

<b>ORDER OF PRIORITY:</b>	<b>Notes:</b>
<p><b><u>Priority Group 1:</u></b></p> <p>Looked after children, all previously looked after children and children who appear to the Admissions Authority to have been in state care outside of England and cease to be in state care as a result of being adopted.</p> <p>Previously looked after children are children who were looked after, but ceased to be so because they were adopted<sup>1</sup> or became subject to a child arrangement order<sup>2</sup> or special guardianship order.</p>	<p><i>This applies to all looked-after children, including those who are in the care of another local authority or being provided with accommodation by a local authority in the exercise of their social services function at the time of making an application.</i></p> <p><i>In the case of previously looked after children, a copy of the relevant documentation will be required in support of the application.</i></p> <p><i>A child is regarded as being in state care outside of England if they were accommodated by a public authority, a religious organisation or any another provider of care whose sole purpose is to benefit society.</i></p> <p><i><sup>1</sup>This includes children who were adopted under the Adoption Act 1976 and Children who were adopted under the Adopted &amp; Childrens Act 2002.</i></p> <p><i><sup>2</sup>Child Arrangement Orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a Child Arrangement Order.</i></p>
<p><b><u>Priority Group 2:</u></b></p> <p>Children the Authority considers have special social or medical reasons for admission.</p>	<p><i>We will only consider applications on social or medical grounds if they are supported by a professional recommendation from a doctor, social worker, or other appropriate professional. The supporting evidence should set out the particular social or medical reason(s) why the school in question is the only school which can meet the child's needs and the difficulties that would be caused if the child had to attend another school.</i></p> <p><i>Panels of professionally qualified people will consider all applications made under priority group 2.</i></p>
<p><b><u>Priority Group 3 :</u></b></p> <p>Children living within the normal area of the school.</p>	<p><i>Refer to tie break</i></p>
<p><b><u>Priority Group 4:</u></b></p> <p>Children of staff at the school.</p>	<p><i>Priority in this oversubscription criteria is given in either or both of the following circumstances:</i></p> <ul style="list-style-type: none"> <li><i>a) Where a member of staff has been employed at the school for more than two years at the time when the admission to the school is made, and/or</i></li> <li><i>b) the member of staff has been recruited to fill a post at the school for which there is a demonstrable skill shortage.</i></li> </ul>
<p><b><u>Priority Group 5:</u></b></p> <p>Children living outside the normal area of the school.</p>	<p><i>Refer to tie break</i></p>

(normal area as outlined in this policy is also known as the catchment area)

Children in higher priority groups will be offered places ahead of those in lower priority groups (priority group 1 being the highest and priority group 5 being the lowest). All applications within each priority group will be considered equally ( i.e. all applications, regardless of order of preference).

**Tie break:**

If there are not enough places for all the children in one of these priority groups, we will give priority first to those with a sibling at the school in September 2025, who live the nearest to the school ( in all cases sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent / carer's partner who live permanently at the same address where the child for whom the school place is sought is living in the same family unit) and then to those living nearest the school.

All distance measurements are based on the nearest route which is recognised by NY Councils electronic mapping system from a child's home address to school. The measurement is made from a fixed point within the dwelling, as identified by Ordnance Survey, to the nearest school entrance using footpaths and roads. The routes measured to determine the allocation of school places will be those recognised by the electronic mapping system used by the school admissions team.

If the distance tie-break is not sufficient to distinguish between applicants in a particular priority group a random allocation will be used as set out below.

## RIPON GRAMMAR SCHOOL- BOARDING ADMISSIONS POLICY FOR THE SCHOOL YEAR 2025/26

All governing bodies are required by section 324 of the Education Act 1996 to admit to the school a child with an Educational Health and Care Plan (EHCP) that names the school. This is not an oversubscription criterion. This relates only to children who have undergone statutory assessment and for whom a final Educational Health and Care Plan has been issued. A child must have reached the prescribed academic standard and also be considered "suitable for boarding" before being offered a place.

Ripon Grammar School is an academically selective co-educational maintained school with day and boarding places (boarding is weekly or termly). As an academically selective school all students must reach the prescribed academic standard before being offered a place.

The admissions policy for boarding places is set out below:

<b>Boarding places order of priority</b>	<b>Notes:</b>
<p><b><u>Priority Group 1:</u></b></p> <p>Looked after children, previously looked after children and children who appear to the Admissions Authority to have been in state care outside of England and cease to be in state care as a result of being adopted. For whom the school has been expressed as a preference.</p> <p>Previously looked after children are children who were looked after, but ceased to be so because they were adopted<sup>1</sup> or became subject to a child arrangement order<sup>2</sup> or special guardianship order.</p>	<p><i>This applies to all looked-after children, including those who are in the care of another local authority or being provided with accommodation by a local authority in the exercise of their social services function at the time of making an application.</i></p> <p><i>In the case of previously looked after children, a copy of the relevant documentation will be required in support of the application.</i></p> <p><i>A child is regarded as being in state care outside of England if they were accommodated by a public authority, a religious organisation or any another provider of care whose sole purpose is to benefit society.</i></p> <p><sup>1</sup><i>This includes children who were adopted under the Adoption Act 1976 and Children who were adopted under the Adopted &amp; Childrens Act 2002.</i></p> <p><sup>2</sup><i>Child Arrangement Orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a Child Arrangement Order.</i></p>
<p><b><u>Priority Group 2:</u></b></p> <p>Children of members of the UK Armed Forces who qualify for Ministry of Defence financial assistance with the cost of boarding school fees</p>	<p>.</p>

<p><b>Priority Group 3:</b></p> <p>Children with a 'boarding need', defined by Ripon Grammar School as follows:</p> <ul style="list-style-type: none"> <li>i. Children at risk or with an unstable home environment and children of service personnel who have died while serving or who have been discharged as a result of attributable injury; or</li> <li>ii. Children of key workers and Crown Servants working abroad, e.g. the children of charity workers, people working for voluntary service organisations, the diplomatic service or the European Union, teachers, law enforcement officers and medical staff working abroad whose work dictates that they spend much of the year overseas.</li> </ul>	
<p><b>Priority Group 4:</b> Termly Boarding applications</p>	Refer to tie break
<p><b>Priority Group 5:</b> Weekly Boarding applications</p>	Refer to tie break

*Tie break:*

*If there are not enough places for all the children in one of these priority groups, we will give priority first to those with a sibling\* at the school in September 2025, who live the furthest from the school.*

*\*In all cases sibling refers to brother or sister and includes children who lives as brother or sister in the same house permanently including adopted brother or sister, where the child for whom the school place is sought is living in the same family unit at the same address as that sibling  
Then to those living furthest from the school.*

*All distance measurements are based on the furthest route which is recognised by NY Councils electronic mapping system from a child's home address to school. The measurement is made from a fixed point within the dwelling, as identified by Ordnance Survey, to the nearest school entrance using footpaths and roads. The routes measured to determine the allocation of school places will be those recognised by the electronic mapping system used by the school admissions team.*

If the distance tie-break is not sufficient to distinguish between applicants in a particular priority group a random allocation will be used.

### **RANDOM ALLOCATION PROCEDURE**

Random allocations are necessary where:

1. There is more than one applicant ranked equally according to the published admission rules and there are insufficient places available to allocate all of the equally ranked applicants
2. This occurs where applicants are equidistant from a school because the usual method of measuring distance to the school results in two unrelated applicants having the same distance measurement. Each random allocation event only holds for the allocation of the currently available school place. On any waiting list the remaining applicants remain equally ranked and any further place is offered as the result of a further random exercise. In making a random allocation it is important that there is scrutiny from a person who is not involved in the allocation process.

### **DEFINITION OF ROLES**

Independent Scrutineer (IS) – this is a person who ensures the process is carried out in a correct and transparent way. The IS must be independent of the school for which the allocation is to be made and also must be independent of the Council's Admissions and Transport team.

Admissions Officer (AO) – this is an officer from the Council's Admissions and Transport team who is responsible for carrying out the administration of the random allocation procedure and recording the results, under the scrutiny of the IS.

Person who makes the draw (P) – this must be a person independent of the school for which the allocation is to be made and must be a person who is not part of the Council's Admissions and Transport team.

**PROCESS TO BE FOLLOWED – N.B. This entire process is to be carried out in sight of, and under the scrutiny of, the IS**

1. The AO allocates each pupil to be included in the draw a number and records it on the 'Random Allocation Cross Reference Sheet'. This is placed in a sealed envelope.
2. The AO prepares as many equal sized pieces of white paper as are necessary, which are numbered consecutively.
3. The AO folds each numbered sheet and seals them in identical envelopes, i.e. envelopes with no visibly identifiable differences.
4. The AO shuffles the envelopes and hands them to P who shuffles the envelopes again, picks one envelope and opens it.
5. The AO records the first number drawn on the 'Random Allocation Record sheet'.
6. If more than one place can be offered they continue to draw envelopes and record numbers until all of the available places are allocated.
7. The AO then opens the previously sealed envelope containing the 'Random Allocation cross reference sheet' and records the numbers drawn on the 'Random Allocation cross reference sheet', marking clearly which child(ren) has(have) been allocated a place and which have not.
8. Once the process has been completed, the AO, IS and P should sign and date both the 'Random Allocation Record sheet' and the 'Random Allocation cross reference sheet' in order to certify that the procedure has been carried out correctly.

*We may be able to meet your preference for a place at a school that does not serve the local area you live in. In this case, you will normally be responsible for travel arrangements and the costs of your child's travel to and from school.*

Admission of children outside their normal age group

Families may seek a place for their child outside of his/her normal age group under various circumstances such as ill health, if the child is gifted and talented or when the child has experienced problems.

**NYC LOCAL ARRANGEMENTS:**

Harrogate High School, Harrogate Grammar School, Rossett School, Graham School and Scalby School are Academy Trust Schools. For the purpose of admissions where there are more applications than places available, places will be allocated according to the schools own admission arrangements and their priority groups.

**Harrogate area** – With regard to the priority group(s) that relate to children living within the normal area covering the school) that include Harrogate rural and Harrogate town zones the remaining places, after applications from higher priority groups have been taken into account, will be allocated on the basis of 21 per cent of places being available to children living in the Harrogate rural zone and 79 per cent of places being available to children living in the Harrogate town zone. Unallocated places in either of the zones would be assigned to the other zone before giving priority to children from outside the Harrogate zones.

**Scarborough area** - Graham School - For priority group 3 applications (that is, children living within the normal area covering the school), priority will be given as follows:

- a) Children living in the area normally served by East Ayton Community Primary School and the area west of Scalby Road from Lady Edith's Drive to Scalby Beck.
- b) Children who will have an older sibling at the school of their choice.
- c) Children who live nearest to the school of their choice.

Scalby School - For priority group 5 applications (that is, children living outside the normal area of the school), priority will be given to children who live in the areas normally served by East Ayton Community Primary School and the area west of Scalby Road from Lady Edith's Drive to Scalby Beck and who:

- a) will have an older sibling at Scalby School at the start of the term when the younger sibling starts school;  
or
- b) would have to make the longest journey to another school without them becoming eligible for help with

travel costs from us under the local authority transport policy.

**Ripon Grammar School** - Ripon Grammar School is a designated grammar school,<sup>1</sup> this means that the school is permitted to select its entire intake on the basis of high academic ability<sup>2</sup>. The school does not have to fill all of its places if applicants have not reached the required standard. Ripon Grammar School offers 103 day places and 14 boarding places.

As a maintained boarding school Ripon Grammar School may take boarders as well as day pupils. Maintained boarding schools can set separate admission numbers for day places and boarding places. As a maintained boarding school it can interview applicants to assess suitability for boarding, but such interviews **must** only consider whether a child presents a serious health and safety hazard to other boarders or whether they would be able to cope with and benefit from a boarding environment.

Parents of all boarding applicants must complete a 'suitability for boarding' form when applying for a place. When assessing how suitable a child is for boarding, Ripon Grammar School considers the following:

1. whether a child is able to cope with, and benefit from, a boarding place
2. whether a child presents a serious health and safety hazard to other boarders
3. whether the school can match the needs of a student in a residential setting

### **Eligibility for boarding**

As a state maintained boarding school, all boarders must have either a full British Citizen passport, or an Irish passport or, in the case of EEA (European Economic Area - EU together with Switzerland, Iceland, Norway and Lichtenstein) and HK BN[O] passport holders, be dependant children of a parent who is either permanently resident in the UK or who is in the UK on a work or study visa.

All boarding students whose home is outside the UK, or whose parents work abroad, must have a named guardian in the UK.

---

<sup>1</sup> As designated by the Education (Grammar School Designation) Order 1998 (SI 1998/2219). Where a designated Grammar School converts to become an Academy, the Academy is permitted to continue selecting their entire intake: Section 6(3) of the Academies Act 2010.

<sup>2</sup> Section 104 of the School Standards and Framework Act

**PROPOSED ADMISSIONS POLICY FOR COMMUNITY AND VOLUNTARY CONTROLLED  
NURSERY SCHOOLS, NURSERY CLASSES, PRE-RECEPTION CLASSES AND SCHOOL RUN  
PRE SCHOOLS UNDER SCHOOL GOVERNANCE  
FOR THE SCHOOL YEAR 2025/2026**

All governing bodies are required to admit to the school a child with an Educational Health & Care Plan (EHCP) that names the school. This is not an oversubscription criterion. This relates only to children who have undergone statutory assessment and for whom a final Education Health & Care Plan has been issued.

Where the number of applications exceeds the number of places, the Governing Body will use the following oversubscription criteria to prioritise applications.

<b>ORDER OF PRIORITY:</b>	<i>Notes</i>
<p><b><u>First Priority</u></b> Looked after children and all previously looked after children for whom the school has been expressed as a preference. Children who appear to the Admissions Authority to have been in state care outside of England and cease to be in state care as a result of being adopted</p> <p>Previously looked after children are children who were looked after, but ceased to be so because they were adopted<sup>1</sup> or became subject to a child arrangement order<sup>2</sup> or special guardianship order.</p>	<p><i>This applies to all looked-after children, including those who are in the care of another local authority or being provided with accommodation by a local authority in the exercise of their social services function at the time of making an application.</i></p> <p><i>In the case of previously looked after children, a copy of the relevant documentation will be required in support of the application.</i></p> <p><i><sup>1</sup>This includes children who were adopted under the Adoption Act 1976 and Children who were adopted under the Adopted &amp; Childrens Act 2002.</i></p> <p><i><sup>2</sup>Child Arrangement Orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a Child Arrangement Order.</i></p> <p><i>A child is regarded as being in state care outside of England if they were accommodated by a public authority, a religious organisation or any another provider of care whose sole purpose is to benefit society</i></p>
<p><b><u>Second Priority</u></b> Children who are recommended by the Director of Children and Young Peoples Service, including children in the care of a local authority, or by the appropriate designated medical officer.</p>	<p><i>Note: we will only consider applications in this category if they are supported by a recommendation from a doctor, social worker or other appropriate professional which sets out the particular reason(s) why the school in question is the most suitable school and the difficulties that would be caused if the child had to attend another school.</i></p>
<p><b><u>Third Priority</u></b> Children from homes with poor housing conditions or overcrowding, or from a background which could affect the child's normal educational development.</p>	<p><i>Note: this should be supported by the recommendation of a doctor, social worker or other appropriate professional.</i></p>
<p><b><u>Fourth Priority</u></b> Children within the normal area of the school, giving priority to the oldest children first.</p>	
<p><b><u>Fifth Priority</u></b> Children from outside the school's normal area, giving priority to those whose home is nearest to school first.</p>

## NORTH YORKSHIRE COUNCIL

### CHILDREN AND YOUNG PEOPLE'S SERVICE

#### **Consultation**

**27 October 2023 – 15 December 2023**

#### **Proposed changes to school catchment area Thirsk School and Sixth Form College**

North Yorkshire Council is consulting on a proposal to change the catchment area for Thirsk School and Sixth Form College. This consultation is part of the admission arrangements consultation for 2025/2026 and will run from 27 October 2023 to 15 December 2023.

We would welcome your views on the proposal.

#### **Why are we proposing a change?**

Following recent discussions, it has been identified that there are three villages in an area that is served by Knayton CE Primary School where the secondary catchment area differs to the remaining villages in the same primary catchment area. These villages are Kewick, Over Silton and Nether Silton

Kewick, Over Silton and Nether Silton are currently served by Northallerton School and Sixth form College. The remaining villages in the Primary catchment area are served by Thirsk School and Sixth Form College.

This has resulted in an anomaly whereby the majority of children living in the Knayton CE Primary area are given priority for places at Thirsk School and Sixth Form College as living in the catchment area, whereas the children living in Kewick, Over Silton and Nether Silton are not given the same priority as they are considered to be out of area for Thirsk School and Sixth Form College.

To remove any potential issues for parents, carers and children who currently live in Kewick, Nether Silton and Over Silton it is proposed that the current catchment area for Thirsk School and Sixth Form College be extended to include those three parishes.

Parents and carers within this extended area will still be able to preference Northallerton School and Sixth Form College as their catchment School and Thirsk School and Sixth Form College as their joint catchment school.

#### **Which school catchment areas would be affected by the proposal?**

Only the school catchment area for Thirsk School and Sixth Form College would be affected by the proposal.

### **What changes are proposed?**

There will be a joint secondary catchment area for the two schools serving the North Yorkshire parishes of

- Kepwick
- Nether Siltou
- Over Siltou

In future these parishes would be in the catchment area for both Northallerton School and Sixth Form College and Thirsk School and Sixth Form College.

Maps showing the current and proposed catchment areas are included below.

### **When would any change become effective?**

This review is part of the normal admission arrangements consultation which takes place annually. In line with the statutory requirements any approved changes would become effective for school admissions in September 2025.

Transport to schools will be provided in accordance with the Local Authority's home to school transport policy. Full details are available at <https://www.northyorks.gov.uk/education-and-learning/school-and-college-transport/school-transport-reception-year-11-children>

### **What happens next?**

**We would welcome your responses by the closing date of 15 December 2023**

**Responses can be made by email to [schoolorganisation@northyorks.gov.uk](mailto:schoolorganisation@northyorks.gov.uk)**

Alternatively responses may be sent to:

Freepost RTKE-RKAY-CUJS, Catchment Proposals – Thirsk School, Strategic Planning, Children & Young People's Service, North Yorkshire Council, County Hall, NORTHALLERTON, DL7 8AE.

Consultation responses will then be considered by the Council's Executive on 23 January 2024 with a final decision taken by the Council on 21 February 2024 as part of the normal annual admission arrangements process.
