CHURCH OF ENGLAND PRIMARY ACADEMY

On Monday 22nd of April the school council had the pleasure of visiting the Dog's trust in Leeds. We learnt how the centre is run and how the trust supports the dogs in their care. We got to see all the facilities the dogs have access to and how the people at the dogs trust take care of the dogs. We also had the pleasure of meeting many of the dogs that are currently staying at the centre. It was an amazing experience for the children and we can't wait for the fundraising day on the 24th of May, and to tell everyone all about our visit. Many thanks to Mrs Poole and Mrs Dutton for taking the children on this fabulous trip.

Children from Y4, 5 and 6 took part in a Tag Rugby Tournament at Selby Rugby club with Miss Stanton and Mrs Dutton. The majority of the children had never played a game of tag rugby before, however this did not stop them! All of the children worked well as a team to keep a strong defence and spot the gaps. This allowed them to score multiple tries. The team placed a very impressive 3rd out of a very tough field. Well done to everyone who took part!

Over the past five weeks, some children in Reception Class have taken part in an after school yoga club with Miss Butterill. We have had so much fun and have learnt so many new skills. Themes included, Animals of the Forest, Our Senses and Springtime. It has been such a luxury to be outdoors in the sunshine and in our very own forest school. We have learnt to be trees, butterflies, birds, frogs and so much more. Feather meditation with partners was a big hit along with lion and bumble bee breath. The focus and attention during meditation has been amazing. Well done to our little yogis!’

In May, the children in Reception visited Grasslands Farm in Rufforth. They learnt about crops, cows, horsepower and all managed to have a sit on a tractor!! Many thanks to Farmer David and his team for making the children feel so welcome. They learnt so much for you and can't wait to go back next year!

Year 5 & 6 were invited to Wetherby High School, as part of their Wetherby sports leaders programs, to compete against three other schools at sports hall athletics. This included a jumping, and throwing carousel. Once that had been completed, they then took part in running relays. All of the children had a great time and enjoyed the different activities.

Upcoming Events

3 June	School Reopens
4 June	Y5 Trip to Wetherby High
5-7 June	Y4 Residential Trip
