

Tockwith

CHURCH OF ENGLAND PRIMARY ACADEMY

At the start of this half term we've had a new addition to the school. The village hall is undergoing construction so the toddler group no longer had anywhere to meet. We've been delighted to step into the gap and provide a location for them to meet. It has been amazing to see all of the parents, toddlers and babies in school and hear their excited playing and chattering. They even had a session in our forest school and investigated the newly renovated pond area!

The Tockwith under 5s arranged for some lambs from the Yorkshire Lamb Orphanage in Selby to come into school for their session – our Reception children were lucky enough to spend some time with them too.

Children in Y6 have smashed the SATS this year! What an awesome bunch of children. They came in positive and raring to go and tried their best which is all we ever ask of them. They had some well deserved time off at the end of the week by having an afternoon tea session with their buddies in Reception! Thanks also to Mrs Perry and all of the staff and governors who helped throughout the week.

Children in Reception, year 1 and 2 have had a taster session for cricket this term – the children loved the session and it gave them a little insight into what cricket is about. There is an 'All Stars Cricket' session at Bilton Cricket Club on Friday evenings if your child would like to sign up

We had an amazing inflatable fundraising event involving the whole school in aid of Martin House. The PTFA kindly paid for some inflatable obstacle courses and slides which we had in school on 16th May. Each class took turns on the course and everyone had a brilliant time. The event was sponsored and we made over £580 for Martin House. After school the staff were able to have a go – I think we all made it out without too many aches and pains!

Y5 took part in Bikeability again this year – this is the Government’s national cycle training programme and helps children learn the practical skills and understanding of how to cycle on today’s roads. They spent the first day in the playground checking they can control their bikes and then went out onto the roads on day 2.

Upcoming Events:

2 June	School opens after Half term
2-3 & 9-10 June	Additional Bikeability sessions
10 - 17 June	Scholastics Book Fair – 3 for 2 offer
17 June	Y5 A Day in the Life at Wetherby High
